**Although I will not be able to fulfil my future dream job as a lawyer, these are the reasons that this is my dream job:**

- 1. It offers high income and an abundance of money.**
- 2. It requires independence and boldness on the lawyers' part, along with knowledge of people's rights in this corrupted world.**
- 3. Defending and fighting for people's rights and justice.**
- 4. The flexibility they have (e.g. working any time they want, offering service to any client they want, not having a specific work space).**

**A Word for the wise**

**"It is a pleasant world we live in, sir, a very pleasant world. There are bad people in it, Mr. Richard, but if there were no bad people, there would be no good lawyers."**
